# Original whale … ! *(5 - 7 years old)*

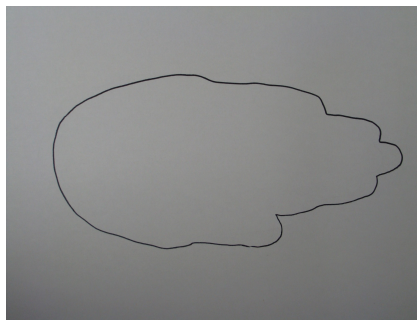

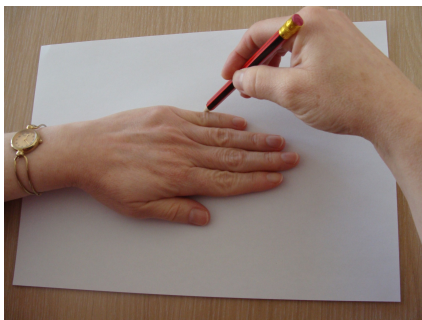

What did I trace in order to get

the little special form

of this whale ? ? ?
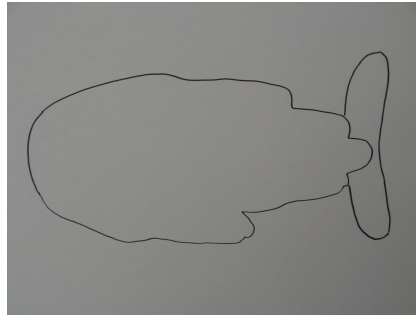

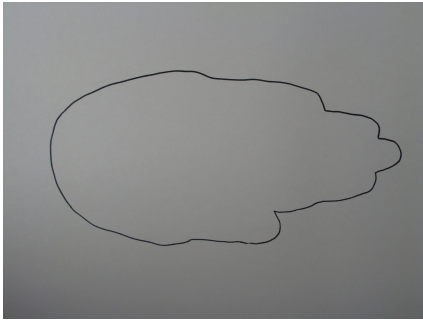

Guess . . . then draw ! ! !

Material you need :
- 1 white sheet of paper
- blue water-paint, blue paper (optional)
- 1 Q-tip, 1 paint brush, 1 black marker, 1 pencil

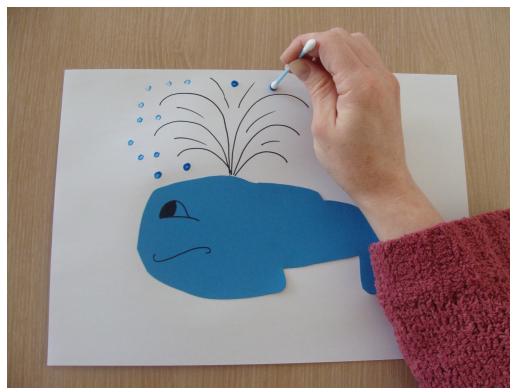

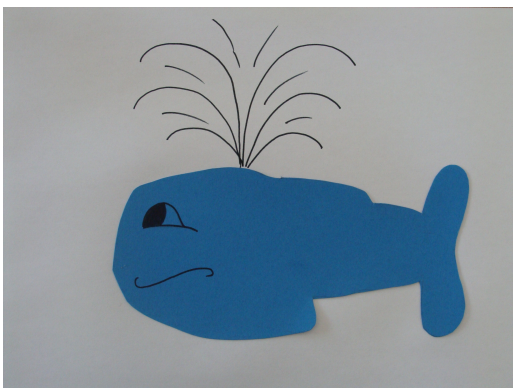

A hand, of course ! ! !

To you, trace your hand . . .

After you trace your hand, draw the whale's tail.

Then paint your drawing in blue !

. . . or if you prefer, you may cut out of blue paper.

Draw
a mouth,
a mischievous eye
and a big jet . . .

then paint droplets of water . . .

with the Q-tip dipped in paint !
