

Polar book cover ! (10-12 years old)

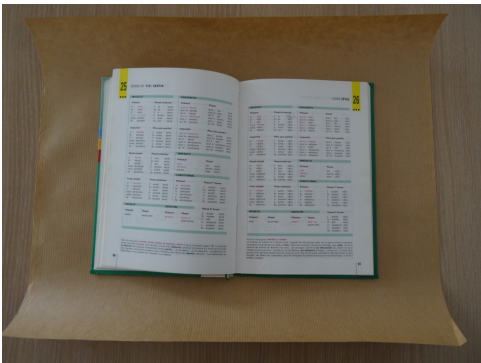

*Do you prefer
a brown bear or a polar bear
to cover your textbooks ? ? ?*

Reminder :
***By recycling paper,
you save energy !!!***

You will need :

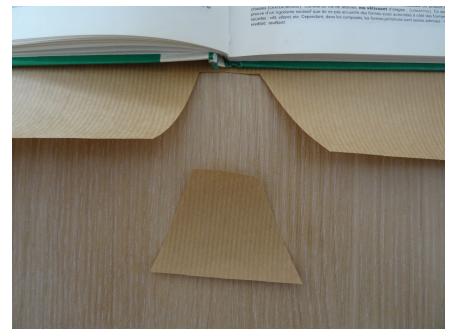

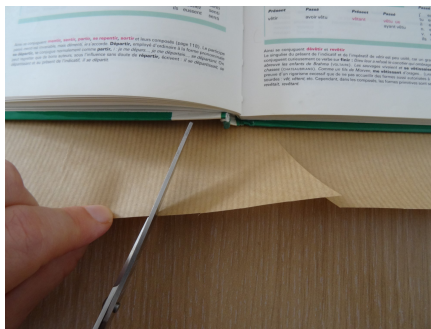

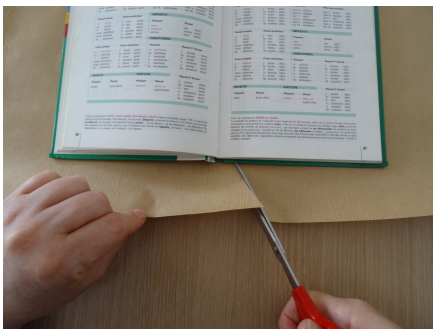

- white or brown paper (ie: brown grocery bags)
- 1 black marker
- Tape and scissors

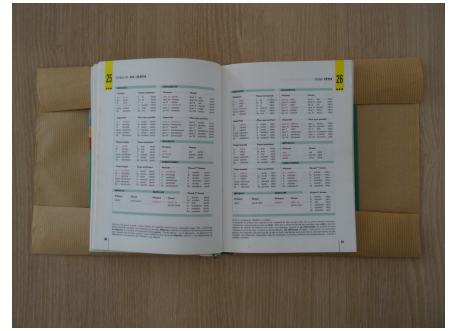

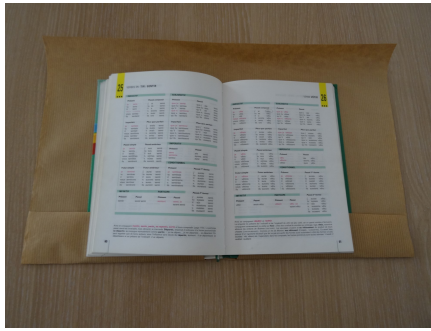

Open the book that you want to cover . . .

Place it on the paper that you chose . . .

*Cut a rectangle around the book
leaving extra space around the edges !!!*

*At the binding of the book, make cuts . . .
as shown in the pictures !!!*

*Fold the bottom of the paper inside of the book covers
and do the same for the top of the book. . . cutting + folding !!!
As seen in the 3rd picture!*

*For the sides, fold the
corners as shown in the
picture . . .*

*Then fold the flap inwards
Use tape to hold the
corners together . . .*

The hardest thing is done !

The book is covered . . .

Soon it will be a bear !

***The choice
is yours !***

***Copy the example . . .
or invent
your own !!!***
