

Penguin ... mosaic ! (for all)

Window polar mosaic . . .

*Make this penguin using
"post-it" or colored squares !*

You will need the following supplies :

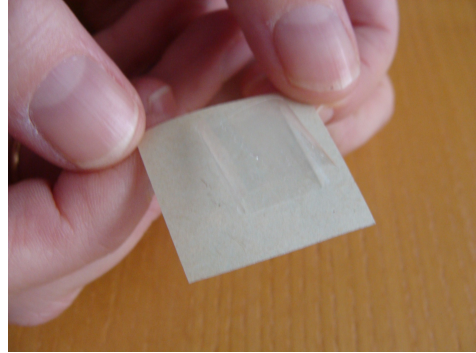

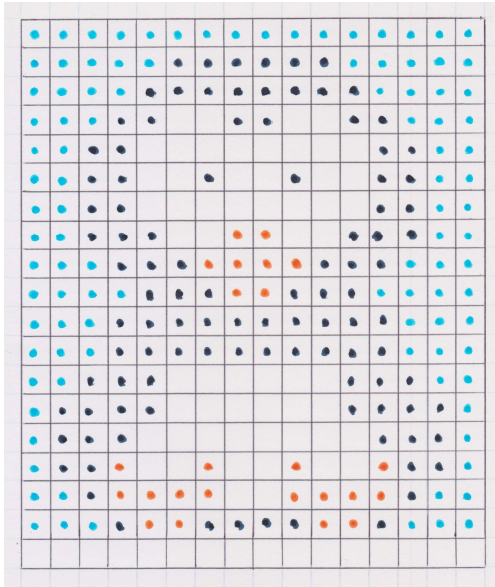

- white, blue, orange and black paper or colored "post-it" notes
- 1 ruler, scissors and tape

*Carefully, prepare mosaic squares
(size of choice for example 1" x 1" or 2" x 2")*

102 blue squares - 104 black squares

74 white squares - 24 orange squares

Roll a piece of tape as seen in the picture and place behind each square of the mosaic

Following the pattern, tape the pieces of the mosaic on the window line by line or glue on a large piece of paper...

*YOU CANNOT GLUE TO THE WINDOW,
PARENTS WILL NOT ALLOW :*

If necessary, click on the previous page to print the pattern !
