

Polar string ...

(8-12 years old)

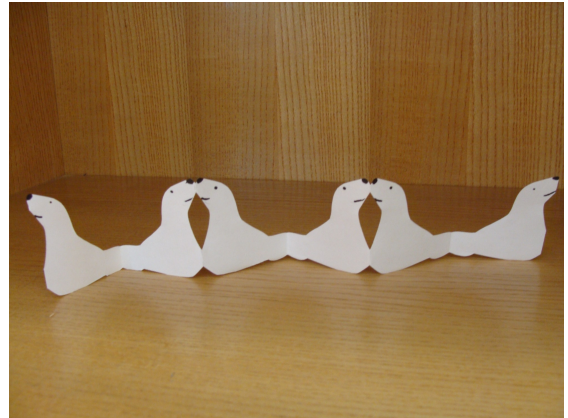

Table decoration ...

string of penguins or string of seals ?

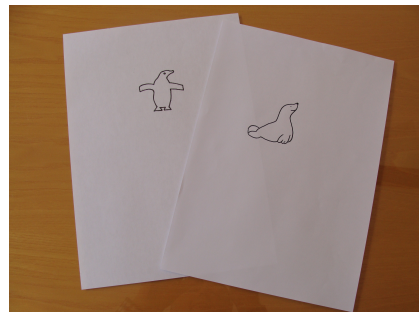

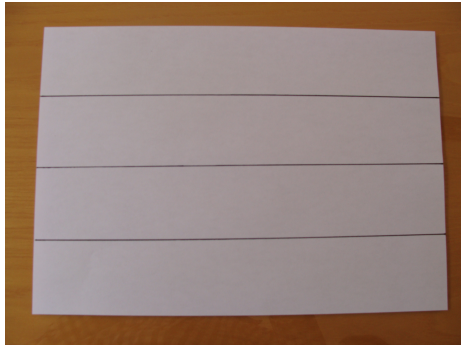

Material :

- white or colored sheets of printer paper
- a little piece of cardboard
- pencil, black marker, lath, scissors, glue

penguin or seal

*To print the patterns,
see to the previous page*

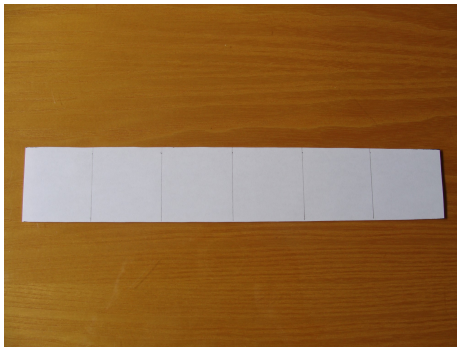

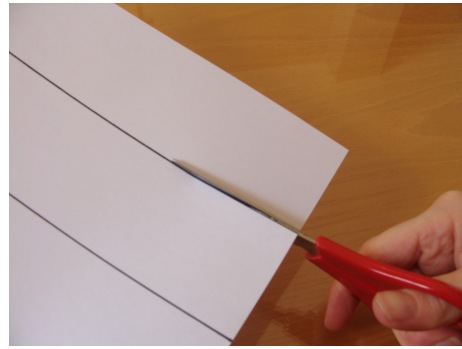

Using a pen and the lath, draw 4 identical columns on a sheet of paper

(5,25 cm Breath and 29,5 cm Lenght)

Cut out one strip

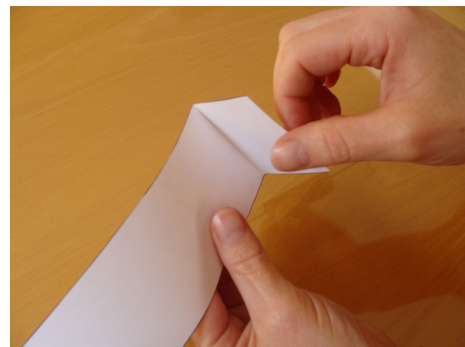

Then, using the pen, share the cut strip drawing

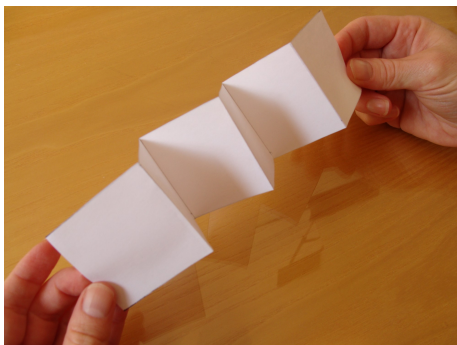

6 identical pieces (4,95 cm)

!!! Use the pictures as help !!!

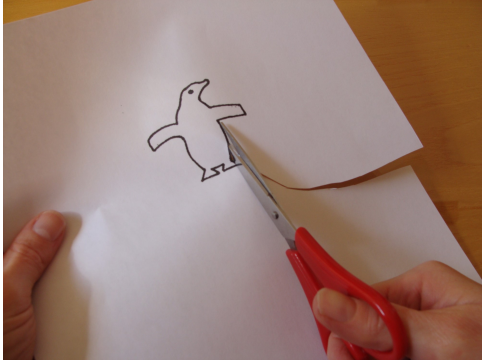

Following the lines drawn

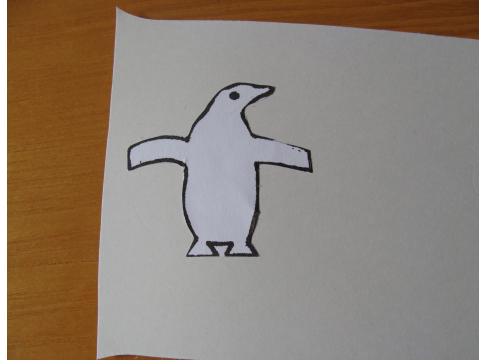

pleat the strip like an accordion

!!! Be precise !!!

Cut out the printed model,

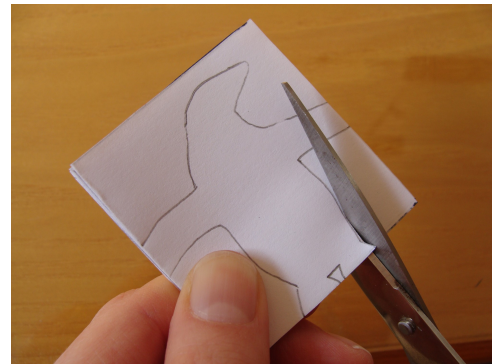

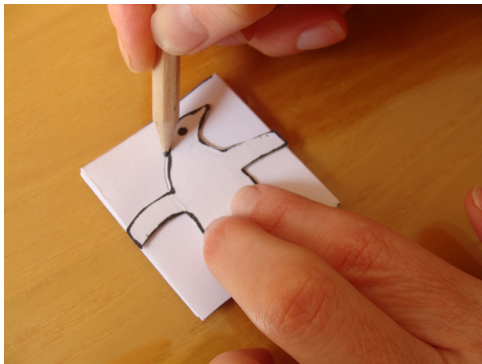

stick it on the cardboard,

then cut the cardboard

***So you obtain a model you can use
as many times you want.***

*With precision put the model on the
pleated strip and using a pencil, trace
the outline.*

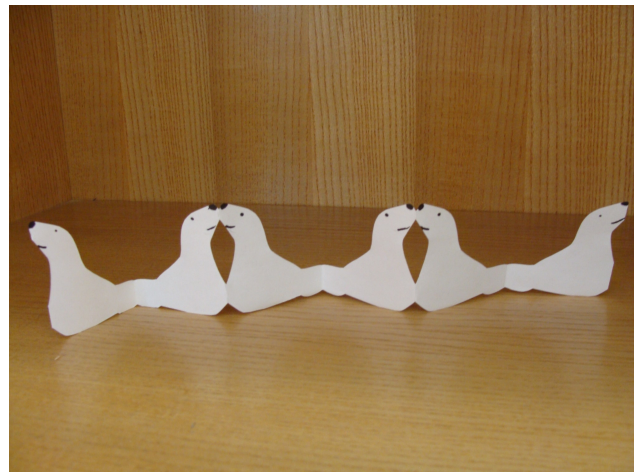

*Cut out your drawing and
unfold the strip. You have a cut-out
string.*

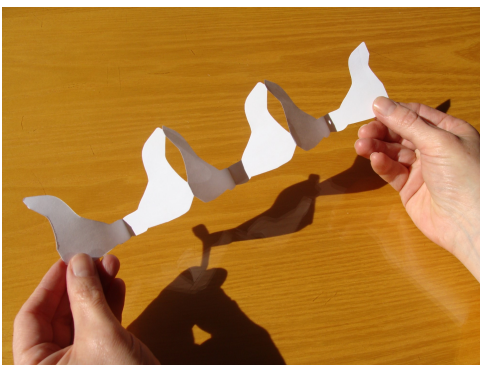

!!! Don't cut the wings edge !!!

Don't forget to draw the eyes !

*Use the same method
to create the seal*

*Create your string in colors which blend
with the table-cloth.*
