

Inuit bookmark ... with ruler and compass ! (8 - 10 years old)

Create a polar bookmark for books fans !!!

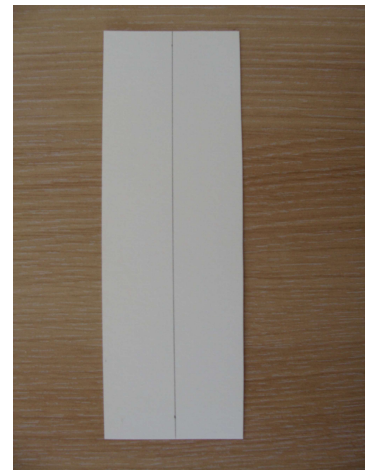

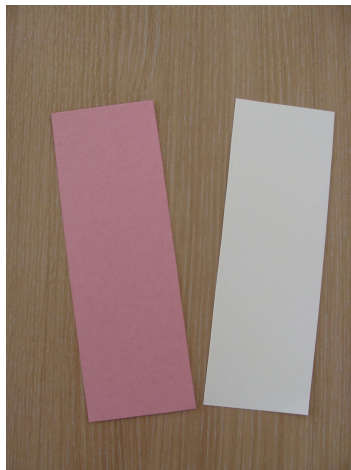

You need :

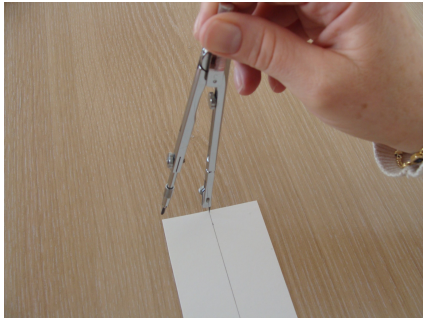

- *heavy paper*
- *1 compass, 1 ruler*
- *scissors*
- *1 black marker*
- *colored pencils*

*Cut one or more rectangles
of 6 X 18 cm.*

*Using a pencil
(!!! not a marker !!!) and a
ruler, draw a line*

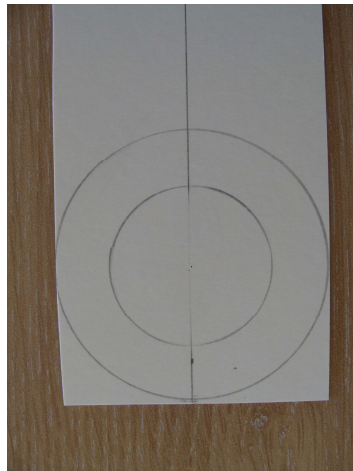

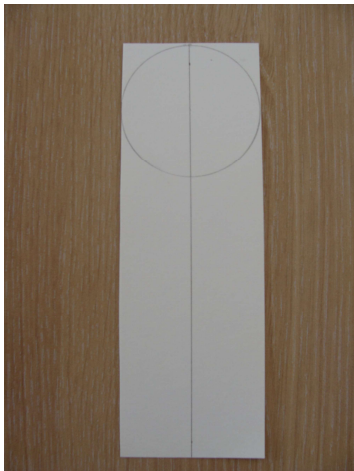

*down the middle of the
rectangle lengthwise
(see picture).*

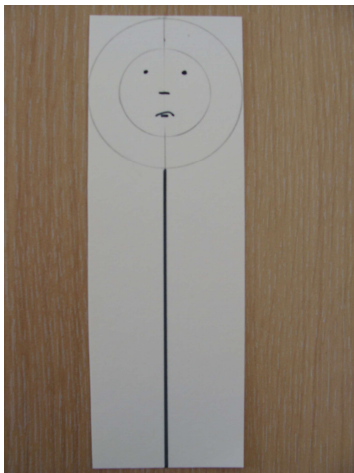

*Put the point of the compass
on the line you just drew.*

*Then open the compass.
The pencil lead must touch
the edge of the paper.*

*Put the point of the
compass on the line and
draw a big circle which
will touch the edges.
Inside the circle you just
drew, draw a smaller
circle : it will be
the face !*

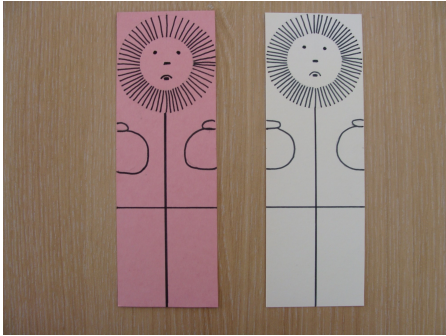

*Carefully,
erase the line inside the face !*

*Using a ruler and a black
marker, trace the center line
as shown on the picture . . .*

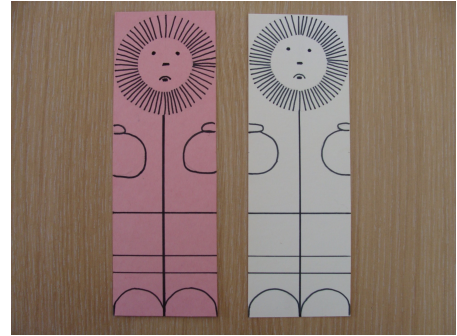

*Then draw the eyes, the nose
and the mouth !*

Then draw lines going from one edge to the other : it'll be the fur of the hood !

*At 6 cm from the bottom,
draw a horizontal line . . .
It is the end of the jacket !
Draw **the mittens** !*

*At 2,5 cm from the bottom
of the jacket, draw 2 horizontal
lines spaced 1cm apart :
This is now the pants !
Don't forget to draw **the boots** !!!*

Using a black marker, draw vertical lines to make fur for the boots !

Color as you like !!!

But especially . . .

provide these bookmarks to your friends who love to read !!!
