

Professor Sneeze ... to eat ! (for all) Pam's recipe ! (US)

Even though this Prof Sneeze is so cute to decorate your plate, you can eat it !!!

Ingredients :

hardboiled eggs, 1 radish, 1 carrot, wheat salad or spinach leaves, chives, cloves, toothpicks and a small knife.

Peel eggs ...

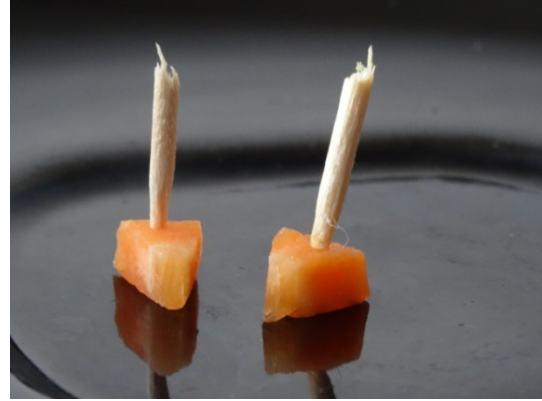

With the small knife make 2 cuts at the top for the ears ...

put a leaf of spinach or wheat salad . . . into the cut you just made . . . You'll have beautiful ears !!!

Use cloves for eyes . . .

Cut a small triangle of carrot. Break the toothpick in half.

Then put it on the toothpick.

Put the toothpick into the egg
as shown on the picture . . .

You obtain the nose !!!

On each side of the carrot, make a cut with the knife . . .

Put in the cut sprigs of chives . . . You have whiskers !!!

Have fun !!! Make another one as a friend for Professor Sneeze !!!

Follow same directions as before then cut a heart in the red of a radish !

Put it on a toothpick ... You have a jewel, you can put on her head next to the ear !
