something to color with.

*1. Fold in 2 parts the 1/2 blue sheet A4,
you obtain the base of your card.*

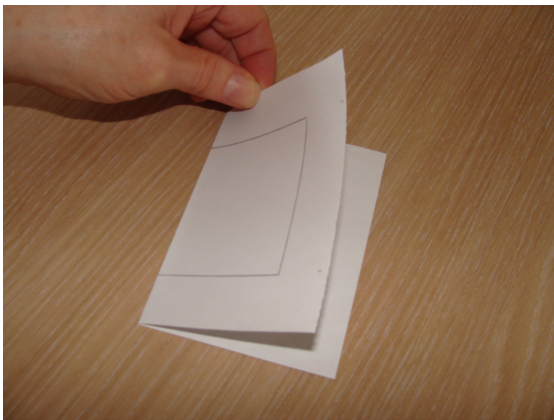

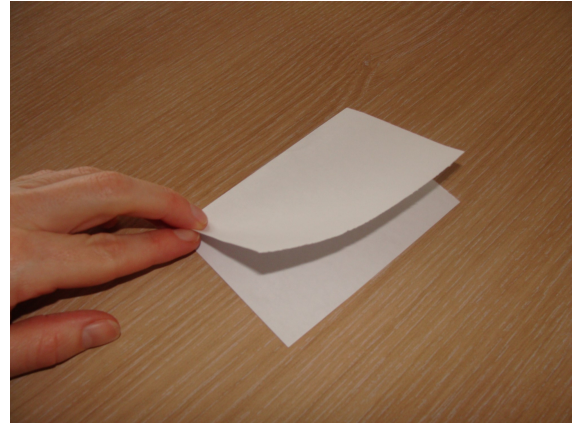

2. Fold in 2 parts the 1/2 white sheet A4.

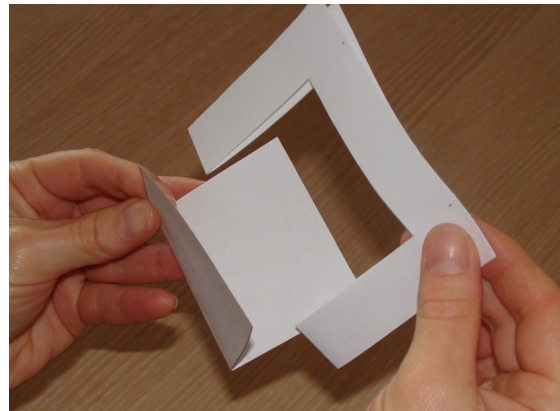

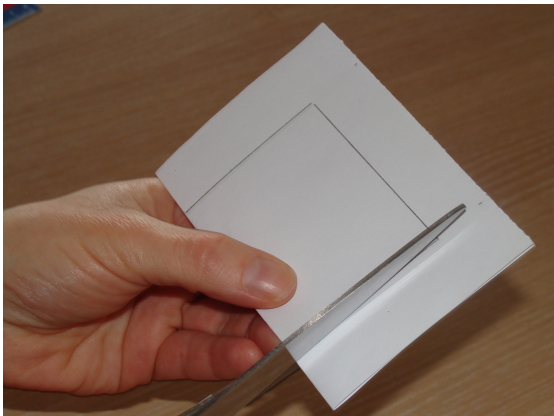

3. *Cut the white sheet along the fold.*

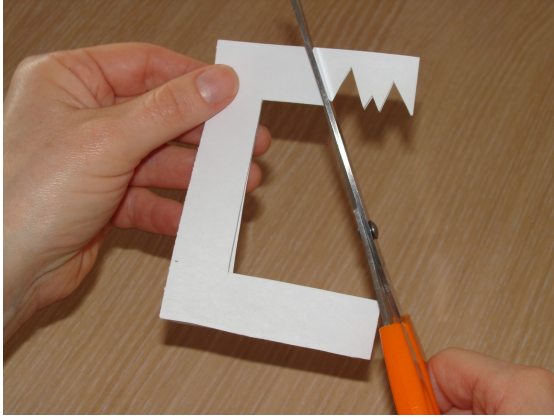

4. *Fold in 2 parts one of the two white pieces.
Ignore the other for the moment.*

5. *Draw a frame at 2 cm from every edge
except along the fold.*

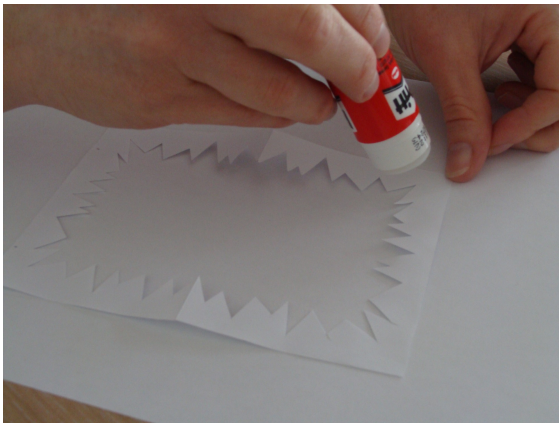

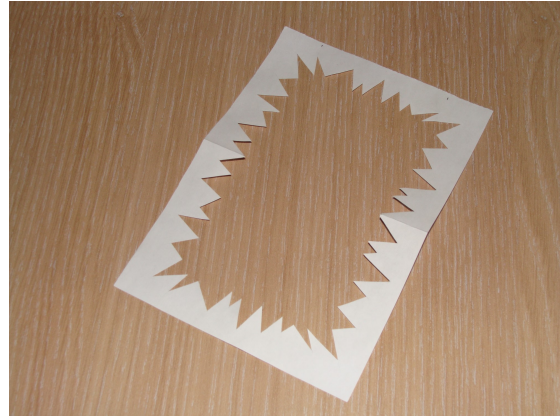

6. *Cut following the lines.*

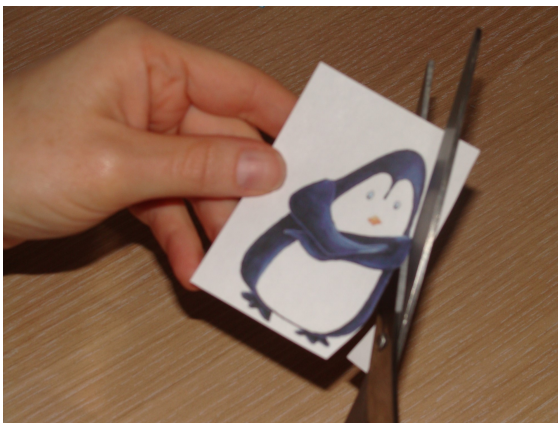

7. Cut pointed teeth in an irregular way.
!!! don't come too close to the edge !!!

8. Unfold the frame.

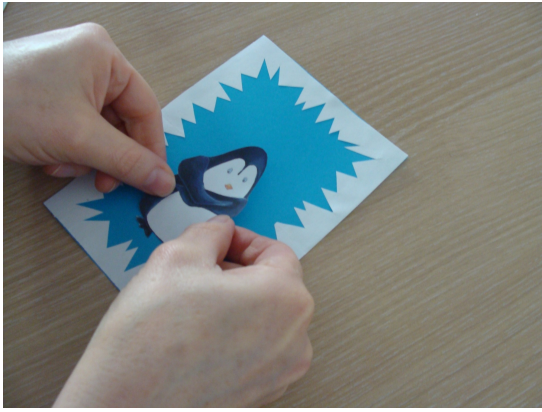

9. Stick the frame in front of the blue card.

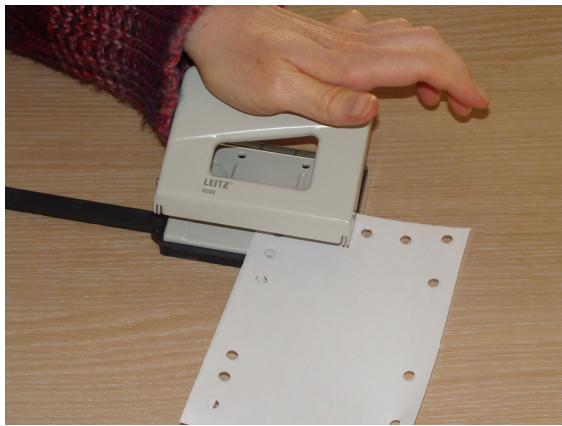

10. See on the previous page to print the drawing of the penguin.

11. Color it like the model then cut it carefully.

12. Stick the penguin on the card.

13. With the punch, make holes in the piece of the white sheet wich remains.

14. Stick the obtained rounds on the card to represent snow flakes.

15. !!! Be inventive !!!
Create other cards changing

- the color of the base
- the frame

(rounded for example)

- the polar animal *(see mandala or sudoku for models)*
