

A reindeer mask

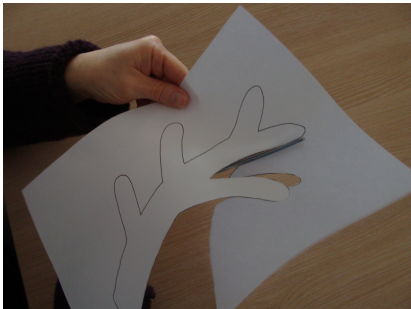

(6-10 years old)

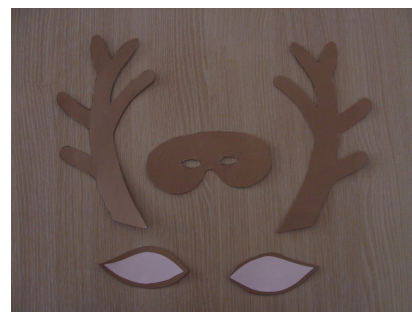

- To print 2X the drawing of the reindeer's antlers
 - To print 1X the drawing of the mask and the reindeer's ears
- see on the previous page*

Material

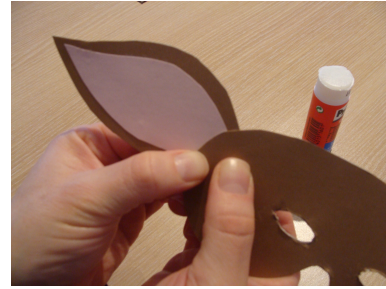

- paint, glue, scissors, stapler
- +/- 25 cm of elastic thread
- recycled cardboard

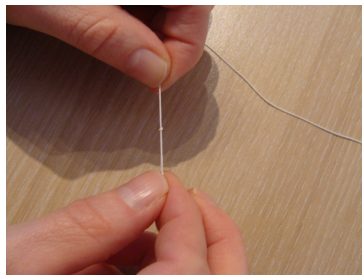

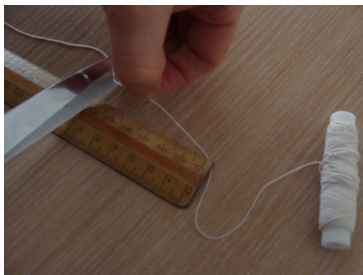

*Cut the antlers out and stick them on the cardboard.
!!! Pay attention to the direction, they look at each other !!!
Then cut the mask and the ears out and also stick them on the cardboard.*

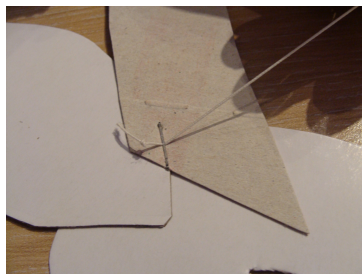

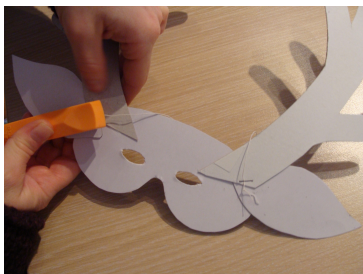

*Paint the mask like you want, using light brown, dark brown, rose and even red.
Then cut each piece carefully.
For the eyes, ask an adult for help.*

Stick all the pieces together like on the pictures.

Cut +/- 25 cm of elastic thread, then make 2 knots at each end.

*With the stapler, attach the elastic.
Make like on the picture, pay attention to where the knots are.*

If you like, print the model on a sheet of colored paper ...

*and be creative,
it's your mask !*
